

U.S. 50 (Whitton Expressway)
Roadway Improvements
Cole County
Community Briefing

Welcome!

The purpose of today's meeting is to help you learn more about the traffic management plan for the roadway improvement project along U.S. Route 50 (Whitton Expressway) in Jefferson City.

The project involves providing a new interchange at U.S. Route 50 and Lafayette Street, as well as adding a lane in each direction from Monroe Street to Lafayette Street and from Lafayette Street to Clark Avenue. Five bridges along the corridor will be replaced and one will be rehabilitated.

This is an open-house public meeting. MoDOT employees are here to help you and explain various aspects of the traffic management plan. Formal presentations are scheduled for 4:30 pm and 5:15 pm.

As you move through the displays, please share your questions and comments with us. Your input is very important.

For more information, contact us toll free at 1-888-ASK-MODOT (275-6636) or visit us online at www.modot.org/central.

Thank you for your participation.
